Camille Naraga

AI Automation Specialist | n8n · OpenAI · GoHighLevel | Automating Workflows

Davao, Davao Region, Philippines

Summary

I design and build AI automation systems that replace manual operations and run your business processes 24/7.

My work includes:

- AI-powered agents for workflow automation and intelligent decision-making
- Custom automations using n8n, Make.com, and Zapier
- CRM and lead management systems (GoHighLevel)
- AI-driven data extraction and processing pipelines
- Advanced API and webhook integrations across multiple platforms

I focus on building scalable, reliable systems that don't just automate tasks but actually improve how your business operates.
